

Darren Steiner Joins CSG Government Solutions' Healthcare Practice

Chicago, Illinois – July 14, 2010

CSG Government Solutions, a national leader in providing public sector strategy, quality management and systems modernization services, today announced that Darren Steiner, former Medical Systems Manager for the State of Montana Department of Public Health and Human Services, has joined CSG as a Principal in the firm's Healthcare Practice.

Mr. Steiner has extensive experience in strategic planning for the modernization of business processes and technical capabilities in state government healthcare-related programs. He has proven himself as a leader in coordinating and directing all phases of project efforts while managing, motivating, and leading project teams. "Darren is recognized nationally in the Medicaid program community as a strong contributor to state modernization efforts," says Tim Lenning, Executive Vice-President of CSG Government Solutions. "His experience in state government and his personal focus on the customer's best interests benefit CSG's Healthcare Modernization Practice and the customer engagements we support."

CSG Government Solutions continues to increase its presence across the United States. The company deploys highly experienced teams and innovative proprietary methodologies to help governments modernize their most complex program enterprises. Its clients include the state governments of Arizona, Arkansas, Georgia, Illinois, Indiana, Iowa, Massachusetts, Michigan, New Jersey, New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, South Carolina, Tennessee, and Vermont; the U.S. Department of Health and Human Services; and large municipal governments.
